"If you like courtroom drama you will not be able to put this book down. It's awfully well done."
—N.Y. Times Book Review
The Adversaries
a novel by EDWARD LINN.
"Read it and you will be haunted for a long time to come ....What might have happened had Lee Harvey Oswald not himself been shot is the subject of Edward Linn's complex novel....a thriller of the mind."
—Business Week
"This burning and impassioned book says as much about the law, as it really is, as all the Watergate hearings combined....so powerful it stays with a reader long after he has finished it."
—ROGER KAHN, author, The Boys of Summer
